2. DECLARATIONS OF MEMBERS INTERESTS: There were no declarations of interest.

3. MINUTES OF LAST MEETING: It was proposed by Cllr Markley and seconded by Cllr Allum that the minutes of the meeting held on 7th February 2007 be accepted as a true record.

4. MATTERS ARISING:

06/01871 86 Cattle Avenue: This application was granted by the Development Control Committee.

Redway at Gyosei Site: The gradient of the path to the overbridge had been checked with Milton Keynes Council. It meets all requirements.

Playing Field Site at Gyosei: The application by was refused by the Development Control Committee. We await the developers response.

5. PARISH COUNCIL POLICY ON HIMOs: Mike Bowley (MKC Planning Department) attended and discussed the current batch of 23 applications from one owner, on the Conniburrow estate. MKC are minded to refuse them for various reasons including the concentration in two of the areas, plus the fact that several have been converted to more than four lettable rooms. It was proposed by Cllr Stabler and seconded by Cllr Morsley that Full Council adopt the draft policy on HIMOs (already circulated), and that the 23 outstanding application be objected to for the above reasons.

6. PLANNING APPLICATIONS:

07/00265 65 Wedgewood Avenue, Blakelands: No objections

07/00292 3 Haythrop Close, Downhead Park: The description of this application is misleading as it is clearly a conversion of one house to two separate flats. Concern that there may be inadequate parking for the three required spaces.

07/00295 Downs Barn First School: No objections

7. DATA STORAGE: It was proposed by Cllr Tripp and seconded by Cllr Allum that a Mobile External Hard Drive be purchased for data storage. The cost of this is £55.31 net. This was agreed by all.

The next Meeting will be held on Wednesday 4th April 2007 at 7.30pm

The Meeting closed at 8.40pm
